NEWS ITEMS.

We are very pleased to have received from our American friends, Eugene Jablonsky and Michael Hermann, an album containing four records, on which are recorded nine folk dances played by M.Hermann's Folk Dance Orchestra. This will prove a valuable addition to our collection. We are sure that Members of the Society would join with the Committee in expressing our deep appreciation for this friendly gesture.

We intend in the very near future, to purchase a record player which will enable us to make more effective use of our records.

We have had messages from some of our Members who are in other countries and thought these should be passed on to you. Ruth Lykkegarde and Lieut. Ivor Sober asks to be remembered to everybody. Ivor is now in Egypt waiting to go into Libya. Hans Lichenstein who was a very active member when we first danced in the International Youth Centre during the war, is now married and living in the Russian zone of Berlin, he says he is quite happy and wishes to be remembered to old friends.

CLASSES.

Owing to the fact that one month elapses between each class (advanced, Ordinary and Basic) I feel that we are not progressing very far. The classes are proving their worth and we are very pleased to see so many new-comers. We hope in the near future to offer more classes for our Members.

The next few advanced classes are being devoted to Estonian dances. We feel that there is a great deal to learn and we hope to master the techniques of these dances before trying Yugoslav and Spanish.

DEMONSTRATIONS.

---Mary---

On Saturday April 24th we danced for the Southend Youth Hostelling Group at the Southend Municipal College Hall. This Group began their folk-dancing as a direct result of our Kemsing Dances. This was their first big dance, and the demonstrating team which consisted of Mary Butterworth, Bert, David and myself with Henry to play for us, enjoyed both demonstrating and general folk dancing. The team was necessarily a small one because of the travelling expenses.

On Friday April 30th, we are dancing at the Harrow Weald County Grammar School to parents and pupils and again on the following Wednesday May 5th at the same place, to those children and parents who will be unable to watch on the previous date.
