CLASSES.

Classes held in May have been particularly inspiring to a great number of us, as we welcomed Inga Theodorsson from Sweden. She taught us two new dances, and corrected Swedish Schottische, Varsovienne, Tantoli and Snorrebocken. Inga added to our enjoyment of the evening by wearing her national costume. Very many thanks to her and our best wishes go back with her to her home.

The Basic Step class was very well attended considering the perfect weather. I enjoyed the class immensely, I really felt we were at last on the right road. We worked extremely hard the whole evening and I do hope we can keep the attendance regular so that the work put in on these classes will not be wasted. I shall continue Basic Steps Classes on the lines of the last class.

DEMONSTRATIONS.

On Friday, April 30th, we demonstrated at the Harrow Weald Grammar School to some 200 children and their parents. This was followed by a repeat performance on Wednesday May 5th. The display was very much appreciated, and many teachers are now being pestered by their pupils for an introduction into the intricacy of Kreutz Koening as a result.

We have no demonstration in hand for the coming month. This is an unusual state of affairs, but rather welcome, as our shortage of really competent men is still rather acute. I am hoping very shortly to have a class once a month for the demonstration team, and here is a chance for would-be demonstrators to come forward and polish up their steps. I hope people will not be too shy to make the effort.

HOSTELLING WEEK-ENDS.

A party of about 18 will be going to Streatly on Friday & Saturday June, 25th/26th. You still stand a good chance of getting into the Hostel if you book individually. There will be dancing, boating and swimming. There is the provisional arrangement for a party to go to Patcham on the 16th & 17th July.

Very successful week-ends were had at Streatly & Patcham on the 1st & 3rd week-ends in May respectively. At both these Hostel the Wardens expressed great interest in our dancing and offered to extend to us all facilities if we come again.

Three of us (Marian Hill, David Rasbash, Mourie Pfeffer) visited Crockham Hill Hostel on the 22nd May with the International Group of Y.H.A. There again we spent a very pleasant evening and the Warden invited us to come down at any time. We brought back about 18 hostellers with us to the Inns of Court, including six French boys and girls.

GRAMOPHONE.

Through the medium of Frank Snell, we are now in proud possession of a complete amplifier outfit including, pick-up, turn-table, amplifier, two loud-speakers and a microphone. We hope to use these frequently in the near future.
