DEMONSTRATIONS.

We were asked by the Secretary, Miss Loewen of the International Club, Y.W.C.A. Gr. Russell St; W.C.1. to run a folk dance evening on Wednesday April 16th. The team demonstrated the more difficult dances in groups of three dances and we taught as many simple ones, in between, as we could fit in. The girls in this club, of all nationalities, joined in enthusiastically, and we had many enquiries about our classes. We do not teach in detail on these occasions, but try to stimulate the audience into wanting to learn more at our classes. Judging by the way we were inundated at the end of this particular evening, we succeeded. I should like to thank the team for their hard work, and all the men who turned up, at my invitation for their co-operation.

Margery Latham.

The Harrow Green Folk Dancers will be dancing on WANSTEAD FLATS on occasional Saturday evenings during the summer months, further details later.

Wally Coultrup, (Hon. Sec.)

The Leyton Borough Council would like our co-operation when a Folk Dancing Festival will be held at the LEYTON ORIENT STADIUM on Saturday July 26th. Last year this was very successful but we would like to see more of our members this time. A small entrance fee will be charged.
