Rheinlander

Rheinländer polka/Fynbo

In Danish, it is most commonly spelled 'rheinländer', but the 'æ' character is missing in English, and therefore when anglicised, often becomes 'rheinlander'.

The following variant spellings also occur in Danish: 'rheinlender', 'reinländer', 'reinlender', and even 'rejländer'.

More commonly, in Norwegian, it is spelled 'reinlender', but 'rheinlender' also occurs.

In Swedish, 'reinländer' or 'ringlender', but more commonly 'schottis'.

In Iceland, 'skottis' and in Finland 'schottis' or 'sottissi' or 'jenkka'.
